Draught:1.29m (4ft 2in)

Summary

Calico is a luxury motor cruiser capable of both offshore and inland cruising. The full width aft deck with transom wrap around seating provides a large outside living space with seating for up to 10 people. Internally comfort is of the essence, with a separate saloon and dinette and two private cabins, both with ensuite facilities.

Offering a high specification including bow thruster, generator and Raymarine navigation package. The twin Yanmar 6LY2 – STE diesel engines have been serviced each year within the current ownership and the tappets on both engines were checked and adjusted in 2020. The boat has been out on the hard standing each year to be antifouled and polished. With an extremely comprehensive maintenance log, it is evident that the boat has been looked after and jobs addressed

when required. All in all a superb example of the Broom 415, ready to go.
