Summary

The Seawings 355 combines the traditional sturdy, all-weather reputation of Hardy boats with a more modern, fast-planing hull. The twin Volvo Penta KAD 42 diesel engines provide a total 460hp making it a capable offshore cruiser. The open-backed hardtop offers protection while retaining an open feel to the cockpit. With ample seating and a wet bar this is perfect for dining, relaxing or entertaining guests. Internally the space continues with a large saloon/diner, galley and two private cabins fitted in a cherry wood.

Builder – Hardy Marine Ltd

Designer – Andrew Wolstenholme

Construction – GRP

Hull Form – Deep V-Planing Hull
