Katana is a solid offshore cruiser with spacious accommodation, suitable for extended cruising or as a liveaboard. This is an excellent example of the Princess 435 and has recently had the external and internal upholstery updated, carpets and curtains renewed throughout giving the boat a modern feel. Alongside the large aft cabin with ensuite facilities, the interior boasts another private cabin, main heads, galley and dinette. Externally the cockpit and flybridge add to the social space available. All in all a very attractive cruiser.
